How to find my office

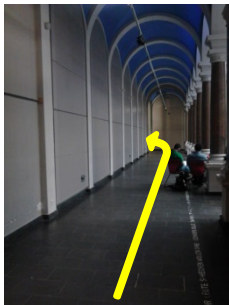

The office is located in the „Hauptgebäude“ of the Technische Universität, near Ernst Reuter Platz. To arrive by public transport, take U2 to Ernst Reuter Platz, and take an exit towards “Technische Universität” or “Straße des 17. Juni”. Walking along that road in direction city center for 150 meters, brings you to the building – a large, white block, 9 floors high.

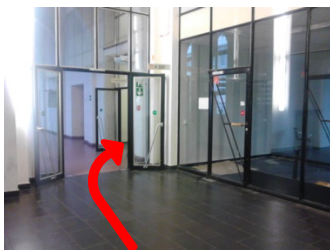

Enter the main hall and choose the large elevator on the left. Please only use this marked elevator, the elevators on the right will not provide access to the historical part of the building.

Choose level “3” (first line, next to the keyhole)
The recorded announcement on this level will be “Dritte Etage - Nebenzugang”.

You will get off the elevator in the gallery of the “Lichthof”.
Walk along the hallway on the left and then turn left.

Pass the glass door and then directly pass a second glass door on the right.

Go down the stairs (one level) and pass the door. You are now in the “Zwischengeschoss” between the 2nd and the 3rd floor.

My office is at the end of the corridor. Its room number is H 2527.

If you get lost, just call me or the secretary:
